

Buckeye Union High School	
Lesson Planning Template	
Subject: English and Career Exploration	
Name: Leah Hodges	Period: 4, 5, 6
Date: 4.14.08	Freshman level

BUHS Student Learning Objectives (What the student will learn in the lesson)	Essential Learning (State Standards)
Students will explore a career of interest	2

Teacher Strategies (Methods of instruction: see Instructional Strategies Sheet)		
<p>Tutorial on Schaffer formula and how to use shaping sheets</p> <p>Tutorial on occupational outlook handbook and how to use the site</p> <p>Students are researching a career of interest and writing an essay on that career. The essay format will be as follows:</p> <p style="padding-left: 20px;">Intro paragraph - nature of work, working conditions, etc. of the career</p> <p style="padding-left: 20px;">Body paragraph #1 - discuss the pros of the career</p> <p style="padding-left: 20px;">Body paragraph #2 - discuss the cons of the career</p> <p style="padding-left: 20px;">Concluding paragraph - Is this career a good choice for me? Why or why not?</p> <p>Students are using the Shaffer model to organize the essay, and will be graded using the 6-trait grading rubric.</p>
