

Creating a “Moving In Day” Video Using Photo Story 3

Your assignment is to create a video with your roommates that showcase your “Move In” day. Then, in a one to two minute presentation, the group will share their day with the class.

REQUIREMENTS:

1. Using Photo Story 3, create a video “collage” with a **minimum of 10 slides**.
2. Creative title slide in PowerPoint (saved as a JPEG). Title slide must include: all first and last names, and your place of residence (with address).
3. Must have a minimum **nine (9)** pictures: apartment, bedrooms, kitchen, roommates, moving truck, etc. (two pictures must include all roommates in same picture)
4. Pictures must have no borders
7. Creatively arrange the required elements and any other items (HAVE FUN).
8. Must have at least **two (2)** songs playing during presentation.
9. Use the same transitions for **each** picture (but not “Cross Fade”)
10. Must have text on a minimum of **four (4)** slides (not including title slide).
11. Save Project video (*.wp3) as “Moving In Day” into your Reality folder in your H: drive. **Only one roommate needs to save it.**
12. **Once all editing is complete, resave “Moving In Day” as a Project (*.wp3) in your Graded Work folder. Also, save it as a Windows Media Video File (wmv), name it “Final Moving In Day” and place it in your Graded Work folder in your H: drive. (Let Mrs. White know whose H: drive it is in).**
13. EXTRA CREDIT: Use narration throughout presentation (**must schedule time outside of class**)

You will be graded on requirements noted above.
